OUR MISSION

Develop citizens of character
dedicated to serving their nation
and community.

**U.S. AIR FORCE
JROTC**

**U.S. AIR FORCE
JROTC**

Why AF JROTC?

AF JROTC is an incredible program that is not only fun and challenging, but it will teach you important skills that will help you become more successful in life! Do you want to feel the pride and personal satisfaction from serving and doing important work for your school, community, and nation? Do you want to be part of a 120,000+ cadet corps that accomplishes truly amazing things, then AF JROTC is for you! If you want to succeed...we can help.

You will learn about citizenship, leadership, USAF heritage & traditions, flight sciences, space exploration, plus have opportunities to participate in many co-curricular activities that involve drill teams, rocket launches, flying UAV's, summer camps, field trips, formal dinners, military balls & much more! You will also be mentored by retired AF professionals that truly care about you!

THE OBJECTIVES of AF JROTC

- To educate & train high school cadets in citizenship, leadership, & life skills
- Promote community service
- Instill traits of responsibility, character, & self-discipline
- Teaches the Air Force's core values of **Integrity First, Service Before Self, & Excellence in All We Do!**

THE AF JROTC EXPERIENCE

Our world-class curriculum is comprised of 40% Aerospace Science, 40% Leadership Education, & 20% Physical Fitness training. A major part of the cadet experience is community service. Through it, you will gain a sense of civic responsibility, team work, belonging, & feel the pride that comes with true accomplishment.

YOUR FUTURE

- If you enroll in AF JROTC, there is **NEVER** any obligation to join the military. AF JROTC is a citizenship program that emphasizes "life skills" & will give you tools for success!

However, benefits are available to those who wish to pursue a military career. AF JROTC cadets who choose to go to college may receive special consideration for AF ROTC scholarships & entry into the military service academies. These programs will enable you to become an officer in the military. The college scholarships pay for tuition, fees, books, & also provide a monthly stipend. At the service academies, all expenses are paid plus cadets are also given a monthly stipend.

For cadets who decide to enter the military immediately after high school graduation, you might be eligible to enlist at one to two pay grades higher than other enlistees after basic training.

AM I ELIGIBLE?

Are you a volunteer in the 9-12th grade, willing to meet our personal grooming standards, and proudly wear the uniform, then **YES, you can join!** Please talk to your high school counselor or an AF JROTC instructor for more information!
