

## Congratulations!

You have met the 1st requirement of eligibility for The National Science Honor Society which is a minimum overall GPA of 3.6 and a minimum average in all science courses of a 90% (3.67 GPA).

In order to be considered for induction, the following requirements are needed including a completed application which is attached.

- 4 years of science with at least 2 “Upper Level” science courses (one as junior, with a second scheduled for senior year)

These include: **AP Biology**

**AP/Honors Chemistry**

**AP/Honors Physics**

**Anatomy and Physiology**

**Forensics**

**APES**

- Citizenship/Behavior Verification: Candidates must have no serious discipline referrals (VP discretion)
- Faculty recommendation: Two faculty recommendations (one from a SCIENCE teacher and one from a MATH or SCIENCE teacher)
- Student Statment
