## Summer Assignment 2024-2025

Welcome to United States History I Honors! This course is for capable, self-motivated students who wish to stimulate their intellectual curiosity and who are considering taking the Advanced Placement Exam in U.S. History. The subject matter is identical to our traditional U.S. History I course – including a study of American History from the colonial period to America's emergence as a world power in the 1890's. Learning methods will include summer reading assignments, extensive writing, exploration and analysis of primary documents, historiography (study of the writing of history), and an introduction to Advanced Placement style test questions. Two textbooks are utilized for this class (The American Pageant and Amsco United States History). In addition to the textbooks, you'll need a notebook or notebook section specifically for our class.
