Dear Robert,

Some people just know how to make big things happen. You are **absolutely one of those people.**

I didn't want to let another day go by without acknowledging all the hard work, time, and energy you invested in our work together. Your efforts made a real difference to people in that room—and a lasting difference to people all around the world.

Together with the help of generous, compassionate folks like you, last year we were able to distribute nearly 6.5 million pairs of shoes and articles of clothing to people all across the globe. And now, kids are in school and adults are at work. Families are rebuilding after natural disasters. Entrepreneurs in developing countries are launching meaningful businesses. Communities are protected from injury and disease.

It's amazing to think it all starts with shoes, isn't it? **Actually, it all starts with you.** And I'm so grateful.

With deepest thanks,
