

Student COVID testing will take place at Triton Regional High School each *Tuesday from 2-4pm* in Room A-6 (next to the main office) by LTS, a vendor selected by the New Jersey Department of Health.

You **MUST** Park in the visitor spaces on Schubert Avenue and enter through the main entrance by the flagpole.

Testing is OPTIONAL for *all students*

Registering Your Student - Please complete the linked Google form [HERE](#) by the Friday prior to the testing day no later than 1pm. Once your student is registered, an email will be sent to you from no-reply@crsp-testing.broadinstitute.org with your *personal* link for registration. This email sometimes winds up in your spam or junk folders so please check those folders for the link.

Parent Consent Form - After your student is registered, you will be emailed a **Parent/Guardian Consent” form from atrivers@bhprsd.org** that **MUST** be completed and provided to ***Mrs. Trivers in the Main Office*** prior to testing. This form is needed in advance to be provided to the testing staff the day of the event. Your student may hand in **original** forms directly to Mrs. Trivers in the main office or you may drop off the consent form to our security staff at our main entrance until 4 pm each day. The testing company (LTS) will **not accept these forms directly from students/parents on the day of testing.**

No walk-ins will be accepted on the day of testing.

Student Testing Registration Guide for Parents and Guardians: This document provides step-by-step guidance for completing the on-line registration process for student testing. It will be emailed to you along with the parent/guardian consent form once your student is registered and copies will be available in the main office as well.

What To Expect After Testing?

When Will My Results be Available?

-If you received a PCR test, most results are available within 48 hours, but the maximum resulting window is 72 hours after testing.

-If you received a rapid antigen test, results will be available within 2 hours after testing.

How do I Access My Results?

-You will receive a notification from the Broad Institute via email (no-reply@crsp-testing.broadinstitute.org) or text message as soon as your results are ready.

-Follow the link in that email or text to log into your account and view your results.

What if I Am Having Trouble Accessing My Results?

-If you do not receive a result notification within 72 hours of a PCR test or 2 hours of an antigen test, please email LTS at support@lts covid.zendesk.com for assistance.

-If you are unable to access your account or are having technical difficulties with the Broad Institute website, please email or call the support team:

Email: crsp-patientsupport@broadinstitute.org

Phone: 617-714-7250

Who Can I Contact for Assistance?

-For general inquiries and assistance, please reach out to your school's administration or email the LTS Support Team at support@lts covid.zendesk.com.

What Should I do if I Receive a Positive Result?

-If your test result is positive, please advise your school administration immediately and follow your school's protocols for actions to take after a positive result.

-CDC guidance for those who test positive for COVID-19 can be found here:

<https://www.cdc.gov/coronavirus/2019-ncov/your-health/quarantine-isolation.html>

Please note - we will continue to require all students and visitors to wear masks when they are on testing sites.

****As in any other healthcare setting, masks will continue to be required.****

As a reminder, both the consent form and on-line registration MUST be completed prior to the testing event.

****If you should have any further questions or concerns you may contact Mrs. Trivers at (856) 939-4500 ext. 2057 or by email: atrivers@bhprsd.org ****
