Title IA Selection Criteria for Black Horse Pike Regional School District

A) Describe the criteria used to select students for Schoolwide programs.

All students in designated Title I schools are eligible for Title I Part A programs. Students who struggle in Math, English, Social Studies or Science may take advantage of services offered. All students are encouraged to take advantage of services offered. However, identified students based on standardized test scores will be especially encouraged.

B) Describe exit criteria.

Students can choose not to participate in our programs. However, if the students wish to continue because of the success they have achieved, we will not deny them services.
