Dr. Brian Repici, Superintendent
 Black Horse Pike Regional School District
 580 Erial Road
 Blackwood, NJ 08012

Dear Dr. Repici:

Pursuant to the requirements of *N.J.A.C. 6A:30*, the Black Horse Pike Regional School District (District) has undergone the New Jersey Quality Single Accountability Continuum (NJQSAC) review. The Camden County Executive County Superintendent and team conducted a review of the District's self-assessment District's self-assessment on the district performance review (DPR) to verify the District's compliance with the five areas of NJQSAC: Instruction and Program, Fiscal Management, Governance, Operations and Personnel. Based on the review, the school district has been placed on the continuum of NJQSAC with the following placement scores for each area:

NJQSAC Areas	Initial Placement (August 2022)
Instruction and Program	77%
Fiscal Management	90%
Governance	76%
Operations	98%
Personnel	97%

These placement results will be presented to the State Board of Education at an upcoming meeting. Please be advised that NJQSAC regulations require the District Board of Education to report these placement results at the next regularly scheduled board meeting.

The District did not satisfy at least 80% of the Instruction and Program and Governance, therefore, regulations require the District to create a district improvement plan (DIP) to address all noncompliant areas of the DPR. Attached are instructions for developing the DIP. The deadline for submission of the DIP and accompanying board approval is October 29, 2022.

Pursuant to *N.J.A.C. 6A:30-4.1*, if it is believed that any indicators were scored incorrectly, the District has seven days from the receipt of this letter to submit a written reconsideration request and supporting documentation. Email your request and accompanying documents to qsac@doe.nj.gov.

Sincerely,

 Paula Bloom
