Re: Mold Inspection Follow-up – Highland High School

Comments:

Mr. Tarsatana,

Epic Environmental Services performed an Indoor Air Quality inspection for the following rooms on September 10, 2020:

Room B127, Auditorium, Room C100, Room F212, Room A206, VP Office

Mold was observed in the following areas:

Room F212
wooden door

VP Office
wooden door

School staff was instructed to clean the affected areas.

Epic re-inspected the clean-up areas on September 24, 2020.

All areas were successfully cleaned.

Please contact me at 856-205-1077 with any questions.
