C. MODIFICATION OF EXISTING WORK RULES AND THIS AGREEMENT

Any changes or modifications in existing rules governing working conditions shall be negotiated with the Association before they are established. The Agreement shall not be modified in whole or in part by the parties except by written instrument duly executed by both parties.

ARTICLE V: TUITION REIMBURSEMENT

The Board will reimburse supervisors for graduate credits earned during the course of a given school year under the following conditions:

A. AVAILABLE FUNDS

Eligible staff members will be reimbursed only for actual costs of tuition, not to exceed a total of \$10,000 in year one, \$10,000 in year two and \$10,000 in year three of the contract for all members. In the event these amounts are not sufficient to cover all supervisors' requests, the amount available shall be prorated among eligible supervisors.

Supervisors shall not be reimbursed for more than nine (9) graduate credits per year. If a supervisor successfully completes six or more graduate credit hours during a summer session when District classes are not in session, the maximum may be increased to twelve (12) credits per year, provided the supervisor requested and was granted prior approval by the superintendent to take the additional course.

B. APPLICATIONS

1. Applications will be filed beginning July 1 of the school year involved but none shall be considered which are filed after January 20 of a given school year. The request shall indicate the type of graduate course the supervisor intends to take, the anticipated tuition cost, and the name of the college or university whose grade credits are acceptable to the New Jersey State Board of Examiners for certification purposes.
2. The superintendent shall, with 20 school days after the deadline for submission of requests, publish a list of those requesting reimbursement. The list shall indicate those persons eligible for reimbursement under standards established in this article.

C. QUALIFYING COURSES

"Qualifying courses" applies to either traditional college or university programs or NJPSA EXCEL.

1. Supervisors taking courses "in their discipline," defined to mean in the supervisor's subject area, education courses, or courses required in a program considered to be in the supervisor's subject area; shall be eligible for tuition reimbursement in accordance with the standards contained in this article. A course taken outside of the supervisor's subject area, or which is not an education course or which is a course not required in a program which is considered to be in the supervisor's subject area, shall be defined as a "course taken outside of discipline" and shall not be subject to tuition reimbursement without specific prior approval of the superintendent. The superintendent shall respond to a request for approval to take an "out of discipline course" for reimbursement purposes within ten school days.
2. A supervisor who wishes to have consideration for reimbursement for an undergraduate course must seek prior approval of the superintendent in the manner described in Section C-1 of this Article.

D. GRADE REQUIREMENT

In no event will a supervisor receive reimbursement unless the supervisor receives a grade of "B" or higher, or its equivalent, or "passing" in a pass/fail course. The grade must be verified by an official transcript or by a letter of explanation from the college or university involved which explains when the transcript will be available. This must be received by the superintendent within 90 days of course completion. If a supervisor takes courses over more than one semester, the official transcript need not be sent until after the completion of the last course for that fiscal year. Copies of the unofficial transcript will be accepted after completion of courses during earlier semesters in order to permit initial payment.

E. OTHER REQUIREMENTS

Subject to the conditions described in this article and subject to receipt of official college transcripts, verification of courses as graduate credit, verification of actual tuition costs, verification of available funds and substantiation that the college or university offers graduate credits acceptable to the New Jersey State Board of Examiners for certification purposes, and upon receipt of a signed voucher required by statute, tuition shall be reimbursable to supervisors within 15 days after the Board meeting which follows the fulfillment of these conditions.

If a supervisor resigns or retires within two (2) years of receiving the reimbursement, he or she must pay back to the District the amount that they were reimbursed for tuition under this Article.

The parties agree to establish a Section 125 (IRS Code Plan) for the purposes of making available a cash option.

1. Any employee otherwise entitled to health insurance coverage will have the option of withdrawing from such coverage and to be paid (according to the District's master health benefits plan) a sum equal to no more than \$4,000 or 25% whichever is less of said coverage of the premium coverage for each year that the withdrawal remains in effect. The Board's obligation for the cash option shall be pro-rated for those employees subject to a change in status.

 - c. In order for an employee to obtain reimbursement for sick days, he or she must not use more than fifteen (15) days in the final year of employment. An exception will be made for an absence due to illness or injury that is sustained by a doctor's note.
2. Supervisors who accept payment for accumulated unused sick leave will not be eligible for reinstatement of any sick leave should they leave retirement to be re-employed by the District.
3. Payments made under Paragraph I of the aforesaid agreement may be made at the Board's option in two equal payments, one on June 30 of the retirement year, and the second payment on July 15 of the year after retirement.

ARTICLE IX: TEMPORARY LEAVES OF ABSENCE

A. TYPES

At the beginning of each school year, supervisors shall be entitled to the following leaves of absence with full pay each year. All requests for such leaves of absence for the building based supervisors must be submitted in advance through the Office of the Principal to the Office of Superintendent for approval and for the district supervisors such leaves will be submitted through the Office of the Assistant Superintendents. Applications for leave will be made on either the form entitled "Request for Temporary Leave" or "Request for Professional Development Program", which will be submitted at least five school days in advance of the leave date(s).

1. Personal Leave

Supervisors shall be entitled up to three days for personal leave. Application for personal leave shall be made five school days before taking such leave, except in emergencies. The applicant shall certify, as required by the form, that the reason for leave is an urgent personal matter which cannot be reasonably met during non-school hours. In all instances where an additional explanation is required pursuant to this article, a determination to grant the request shall be at the discretion of the administration and subject finally to the grievance procedure found in Article III of this Agreement

Personal leave may not be granted for days which fall immediately prior to or immediately after a school closing date (not including Saturday or Sunday) or an extended recess period. In emergency circumstances, the superintendent may exercise discretion to waive this restriction provided a written explanation of the need for leave accompanies the request and provided the superintendent finds the reason to fall within the intended use for personal leave.

Unused personal leave shall be accumulated as sick leave each year.

If supervisor had prior employment with the District and had acquired tenure in that position, sick days would then accumulate as if the person had tenure.

2. Professional Leave

Two days per year may be used by supervisors with pay for the purpose of visiting other schools or attending meetings, clinics, or conferences or workshops of an educational nature; if requested to do so, or with prior approval of the superintendent. Additional days may be granted at the discretion of the Director of Curriculum. For the balance of the contract, the Board will provide an annual budget allocation of \$7,500 for use by supervisors to attend local, state and national conferences. Funds for the athletic directors to attend director conferences shall be over and above this amount.

3. Flex Leave

Supervisors will be entitled to a maximum of five (5) flex days throughout the school year. Flex days used during the school year shall account for extra days worked in the summer months. For each flex day used during the school year, the supervisor will be required to work an additional day in the summer. Flex days can be used first or banked in the summer. There shall be two (2) options for using flex days. First, the employee may work extra days (up to 5) in the summer (July-August) and use flex days (up to 5) during the school year that follows (September-June). Second, the employee may use flex days during the school year (September-June) and make up those days during the following summer months (July-August). However, if a supervisor resigns or retires before working their owed time, it shall be deducted at their per diem rate from their final paycheck.

Application for a flex day shall be made five school days before taking such leave, except in emergencies. All flex days must be approved by the Superintendent or his/her designee. These five (5) flex days may be used prior to or immediately after a school closing date or extended recess period, and they may be used in conjunction with personal days, provided that the days taken do not occur during time periods when supervisory presence in the district is crucial to fulfilling job responsibilities and to ensuring smooth operations in the district.

4. Bereavement Leave

Supervisors may be granted up to five days at any one time in the event of the death of an supervisor's parent, spouse, child, son-in-law, daughter-in-law, father-in-law, mother-in-law, brother, sister, brother-in-law, sister-in-law, grandparent, or grandchild, or surrogate parent who actually raised the supervisor or a member of the supervisor's immediate household. Supervisors also shall be granted up to one day in the event of the death of a relative outside the family as defined above. Supervisors may be granted up to three (3) days at any one time in the event of the death of a supervisor's great-grandparent or grandparent-in-law. Where additional absence due to family death is required because of the emotional disability of the supervisor, such absence may be charged to accumulated and authorized sick leave, upon request of the supervisor. Where additional absence due to family death is required because of geographic distance to the funeral site, such absence may be requested and granted as personal leave, in accordance with Section A-1 of this article.

5. Other Temporary Leaves

Other leaves of absence with pay may be granted by the Board at its discretion.

6. Effect of Temporary Leave Upon Sick Time

Leave taken pursuant to this article will be in addition to any sick leave to which the supervisor is entitled, except for emotional disability leave as described in Section A-3 of this article.

B. DEATH OF A TEACHER OR PUPIL

In the event of the death of an employee or pupil in this District, using discretion, the superintendent shall determine the extent of representation on behalf of the District to attend services. Supervisors who wish to attend services may utilize personal time in accordance with the rules governing use of personal leave described in Section A-3 of this article.

ARTICLE X: EXTENDED LEAVES OF ABSENCE

A. ASSOCIATION BUSINESS

The Board agrees that up to one tenured supervisor designated by the Association shall, upon request, be granted a leave of absence without pay for up to two years for the purpose of engaging in the activities of the Association or its affiliates, provided a minimum of 60 days notice has been given to the Board. Additional time may be granted by the Board at its discretion, provided 90 days notice has been given.

B. PUBLIC SERVICE, EDUCATION, AND OVERSEAS LEAVE

A leave of absence without pay of up to one year shall be granted to any tenured supervisor who joins the Peace Corps, VISTA, National Teacher Corps, or serves as an exchange teacher or overseas teacher and is a full time participant in any such program, or who accepts a Fulbright Scholarship.

C. MILITARY LEAVE

Military leave without pay shall be granted to any supervisor who is inducted or who enlists in any branch of the Armed Forces of the United States for the period of said induction or initial enlistment. Extensions of military leave may be granted by the Board at its discretion.

Time necessary for supervisors called into temporary active duty or any unit of the United States Reserves or State National Guard shall be granted, provided such obligations cannot be fulfilled on days when school is not in session. For the purpose of this Agreement, the determination of what constitutes "temporary active duty" shall be made by the Board at its discretion. In no event shall the term apply to service rendered by an individual beyond the initial military obligation as required by Federal Statute. A supervisor absent because of temporary active military duty shall be paid a salary differential in accordance with the requirements of N.J.S.A. 38: 23-1 or N.J.S.A. 38A: 4-4.

D. MATERNITY/ PATERNITY DISABILITY AND CHILD - REARING LEAVE

Child-rearing leave without pay and disability leave with or without pay shall be granted in accordance with the conditions outlined hereinafter:

1. Any supervisor seeking a leave of absence for reasons associated with disability due to pregnancy or for child-rearing (Maternity or Paternity) leave during the first year of the child's life, will file a written request for such leave with the superintendent at least 90 days in advance of the first day of the anticipated disability or child-rearing leave. The written request will include:
 - a. a physician's certification of pregnancy and the estimated delivery date
 - b. the date on which the supervisor intends to return,
 - c. a request for medical disability leave which specifies the anticipated beginning and ending date for disability leave may be necessary. The Board will honor changes of ending date (It is understood that the medical disability is not always predictable and that a change in the date be supported by the attending physician's written recommendation),
 - d. a notice of intent to use accumulated sick leave. (It is understood that a supervisor cannot know how many sick leave days will remain available to her 90 days in advance; therefore, final written notice of how many days will be taken for medical disability leave due to pregnancy need not be submitted until the week of the supervisor's departure for her disability leave. If sufficient accumulated sick leave is not available to cover the entire period of medical disability, the supervisor may indicate that she wishes to use all which is remaining to her upon her departure. Requests for use of accumulated sick leave which extend beyond 30 calendar

days before and/or after the anticipated delivery date must be accompanied by a physician's certification of the nature of the disability and his/her recommendation with respect to employment, and

- e. a request for child-rearing leave without pay, if desired, which includes the ending date. It will be assumed that such leave will begin at the end of the approved medical disability period. In situations where a supervisor has no available accumulated sick leave or does not wish to use sick leave for the period of disability, the request should so state and should include a beginning date for unpaid leave.

2. The Board shall honor leave dates so requested if they will not substantially interfere with the effective administration of the educational program to which the supervisor was assigned, subject to the following conditions:

- a. the Board may require as a condition of the supervisor's return to service, the production of a certificate from a physician certifying that the supervisor is medically able to resume her duties.
- b. in no event shall any such leaves be extended beyond the end of the contract year in which leave is requested to commence for non-tenured supervisors.
- c. in no event shall such leaves extend beyond a period of four semesters from the date on which said leave is to commence for tenured supervisors.
- d. the Board may grant a leave for dates other than those requested upon a finding that the grant of leave for the dates requested would substantially interfere with the administration of the school. The Board reserves the right to change dates for maternity disability/child-rearing leaves to conform to the beginning and ending of semesters.
- e. the Board will honor sick leave requests which meet the requirements and criteria established in Section 1 herein, so long as the delivery occurs within the time window specified in the supervisor's request for use of sick leave. If delivery occurs prior to the initially requested disability period, the Board shall permit use of accumulated sick leave for the required absence prior to delivery and for all school days during a 30-calendar day period following delivery.
- f. the Board understands that an anticipated delivery date represents a physician's best estimate and that circumstances can cause the estimate to be incorrect. The Board will not act to deny leave under this article when the date estimates are incorrect because of circumstances beyond the pregnant supervisor's control.
- g. when the supervisor's absence due to disability leave does not extend beyond the 30-day time window before and after delivery and the supervisor has furnished a prior notice from a physician certifying the pregnancy and the anticipated delivery date, the Board shall not require the physician's notice described under Section A of Article VIII (SICK LEAVE) of this Agreement.

3. The Board reserves the right to remove any pregnant supervisor from her position or to insist that the supervisor accept a leave of absence therefore, in accordance with the provisions of Section D of this article, if after her pregnancy is confirmed, and she is not medically able to perform her duties and her physical condition or capacity is such that her health would be impaired if she were to continue in her position. Such physical capacity will be deemed so impaired if any of the following occur:

- a. the pregnant supervisor, after written request from the superintendent, fails to produce a certification from her physician that she is medically able to continue to perform her duties

- b. the pregnant supervisor's physician and a physician designated by the Board agree that she is not medically able to continue to perform her duties, or
 - c. if, after a difference of medical opinion by the supervisor's physician and the Board's physician, a third physician designated by mutual agreement of the supervisor and the Board, or, if no such agreement can be reached, by the Camden County Medical Society, certifies that, in his/her opinion, the supervisor is not medically able to perform her duties. If it becomes necessary to seek the opinion of a third physician, the fee involved shall be shared by the Board and the supervisor involved.
4. In the case of termination of pregnancy for any reason other than normal birth, the employee shall notify the Board of such circumstances and the Board shall honor a request to return earlier than the date originally established upon receipt of medical certification by the supervisor's physician of her physical fitness to perform her duties, and if the Board has not contractually obligated itself to replacement supervisor, or if another position exists for which the supervisor is certificated and qualified to take.
5. After the grant of leave to any supervisor pursuant to the provisions of Section D of this article, the Board will give reasonable consideration to a request from the supervisor for either, provided the supervisor requesting the same makes written application to the superintendent at least 60 days before the date such extension or reduction will become effective, and submits with that application a certificate from a physician certifying that said reduction or extension of leave is not medically contraindicated and that the supervisor is, or will be, able to resume her duties on the date such resumption is requested and provided the date of return falls at the beginning of a semester and provided a vacancy exists for which the supervisor is certificated and qualified to fill.

2. The purpose of a sabbatical leave shall be limited to full time pursuit of a graduate degree which must be conferred at the end of the leave period, or as soon after as possible, depending upon established schedules for graduations of conferring institutions.
3. The supervisor shall have completed seven full school years of service with the District by the first day of the requested sabbatical leave.
4. Upon return from a sabbatical leave, the supervisor shall be placed on the salary schedule at the level which would have been attained if active employment had been continuous during the period of sabbatical leave.
5. Requests for sabbatical leave must be submitted to the superintendent in writing in a format requested by the superintendent by November 1 of the school year prior to the school year for which sabbatical leave is requested.

I. SUPERVISOR ILLNESS OR DISABILITY LEAVE

A leave of absence without pay for up to one year may be granted to a supervisor who has become disabled or ill, as confirmed by a physician certification. Provisions found in Section D of this article will apply in such matters.

J. INCREMENT CREDIT UPON RETURN FROM LEAVE

1. Upon return from leave granted pursuant to Sections A, B, C or H of this article, supervisors shall be considered as if they were actively employed by the Board during the leave period and shall be placed on the salary schedule at the level they would have attained had they not been on leave; provided however, the time spent on such leave shall not count toward fulfillment of the time requirements for acquiring tenure. A supervisor shall not receive credit for time spent on leave granted pursuant to Sections D, E, F, G or I of this article, nor shall such time count toward the fulfillment of time requirements for acquiring tenure.
2. All benefits to which supervisors were entitled at the time of leave of absence began, including unused accumulated sick leave, shall be restored upon return, and the supervisors shall be assigned to the same positions they held at the time said leave began.

L. FAMILY LEAVE ACTS

An extended leave of absence shall be considered to include the employee's entitlement under the State and Federal Family Leave Acts, except that during that portion of the leave considered as part of the State or Federal Family Leave Act the Board shall continue to pay for medical benefits as required by the Acts.

ARTICLE XI: COMPENSATION

A. SALARY GUIDE

Salaries of supervisors covered by this Agreement shall be according to the salary guides set forth in Schedule B.

B. CO-CURRICULAR BONUSES

Supervisors will not assume co-curricular positions, with the exception of those not involving students.

C. INITIAL SALARY

When accepting employment as a supervisor, initial placement on the salary guide shall be as agreed by the Board and the supervisor.

D. SERVICE INCREMENT

Anyone already receiving a service increment will be grandfathered and anyone due to receive an increase July 1, 2009 will receive that amount. After July 1, 2009 supervisors will no longer accrue service increments.

E. SUMMER PAYMENT PLAN

1. Supervisors shall be paid in 24 equal installments occurring approximately on the 15th and 30th day of each month. It is recognized that this payment plan pays supervisors during the summer months for days that have not as yet been worked. If a supervisor leaves the district prior to the end of the contract year, money may be owed to the district for days not yet worked and therefore appropriate deductions shall be made from the supervisor's pay check.
2. Supervisors may independently elect to have a portion of their salary withheld and deposited to their credit in the South Jersey Federal Credit Union, and/or deposited in tax-deferred annuities, upon execution of appropriate payroll authorization forms which shall be in lieu of a summer payment plan as contemplated in N.J.S.A. 18A: 29-3.

F. INCREMENT

To be eligible for a yearly increase, a supervisor must have been employed as a supervisor by the District during the prior year for at least 110 days.

The Board reserves the right for inefficiency and/or other good cause to withhold the increase for a supervisor. Once withheld, an increase shall be deemed to have lapsed. The Board may, at its discretion, restore a previously withheld increment upon recommendation of the superintendent.

Supervisors are eligible for reimbursement for travel approved in advance by the Office of the Superintendent. Reimbursement will be at the State mileage rate effective each January. Such travel reimbursement would cover the costs of travel to professional conferences, regional and state business meetings, as well as travel among/between the three schools and the central office.

H. DIRECT DEPOSIT

Direct deposit of the employees' paychecks will be implemented as soon as possible after requested by the supervisor. Supervisors shall be entitled to identify an institution only once during any contract year, identifying the same on the form attached to the contract document. Supervisors agree that any and all liability relative to employees' paychecks will fall upon the identified employees' bank and not on the Board of Education.

I. ACTING SUPERVISORS

- 1) The Board will search for candidates who hold a Master's Degree and meet certification requirements for all open supervisory positions. In the event a supervisor's vacancy is not filled by a person who holds a Regular New Jersey Supervisors Certificate, the Board may name an acting supervisor to fill the position for a period up to a calendar year. In the event a person cannot be found immediately who meets the degree or certification requirements for the named positions, the Board may name an acting supervisor with the intent to continue searching for a candidate who meets these requirements. In such cases, when the final candidate reports to the District, the acting supervisor will be reassigned and the stipend pro-ration ended.
- 2) Acting supervisors must hold a Masters Degree or higher upon employment. If a recommended candidate does not hold a New Jersey Supervisors Certificate, the person will be given one calendar year to meet that requirement. The Board may grant an extension of up to one calendar year for a non-certified candidate to obtain certification. A Director of School Counseling also will be required to hold a Director of Student Personnel Services Certificate or Director of School Counseling Certificate but will be permitted a period of 18 months to obtain that certificate.
 - a) Failure of appointees to meet these requirements shall result in non-renewal of their employment as a supervisor at the end of the school year in which the deadline falls. The acting supervisor will be notified of that decision by May 15th of the school year prior to non-renewal. If the certificate is not in hand but all of the requirements have been met and only State procedures are delaying processing of the certificate, a letter from a college or university stating this set of circumstances will be accepted in lieu of the certificate for a period of six months.
 - b) In lieu of placement on the Supervisor's salary guide. after the 20th day serving in the position, an acting supervisor shall remain on the teachers salary guide and be paid a stipend equal to \$4,000, if certificated in New Jersey as a supervisor or administrator, or \$2,450, if not certificated in New Jersey as a supervisor or administrator. The stipend shall be prorated, beginning on the seventh day, for the actual time served as an acting supervisor as defined by a Board appointment to that position. If the acting supervisor is already serving as an assistant supervisor with a stipend, that stipend shall be increased by the same amount and prorated in the same manner. Should the acting supervisor be appointed to the open position, the supervisor will be placed on the supervisors' salary guide at a point negotiated by the supervisor and the Board. That salary shall be prorated for the period of time remaining in the school year.

ARTICLE XII: PROMOTIONAL AND OTHER POSITIONS

A. NOTICES

The Board will announce promotional and other positions to the Association president in writing at least 5 calendar days prior to the deadline for applications. The notice can be less than 5 days upon mutual agreement of the Association president and the superintendent or his agent.
